9. Click **Create account**.

The screenshot shows a two-step account creation process. Step 2, 'Verify email', is completed with a green checkmark and the message 'Your email is verified.' Step 3, 'Personal information', is also completed with a green checkmark and shows the account type as 'Personal account' for 'Victor Doe' in the 'United States'. Below these steps, a paragraph states that IBM will contact the user regarding the free Cloud account and provides a link to unsubscribe. Another paragraph states that by submitting the form, the user accepts the 'Terms and Conditions' and acknowledges the 'IBM Privacy Statement'. At the bottom, a blue bar contains a 'Create account' button, which is circled in red, and a right-pointing arrow.

IBM will contact you regarding this free Cloud account to facilitate your successful onboarding. You may unsubscribe from receiving such communications by clicking the unsubscribe link in any of these emails.

By submitting this form, you accept the product [Terms and Conditions](#) and acknowledge that you have read and understand the [IBM Privacy Statement](#).

Create account →

10. You may or may not have to login. If not prompted to login, skip to the next step. Otherwise, to log in, enter your **IBMid** and click **Continue**. Enter your **Password** and click **Log in**.

11. You should be taken to the Acknowledgement page. Scroll down and click on **Proceed** after reviewing the Privacy Information and acknowledgement.

The screenshot shows the 'Acknowledgement' page. It includes a section for 'Your rights' with a link to the 'Privacy Statement'. Below this is the 'Acknowledgement' section, where the user is asked to acknowledge their understanding of IBM's use of their Basic Personal Data and their age (at least 16 years). At the bottom, there are two buttons: 'Proceed' and 'Cancel Sign In'. The 'Proceed' button is circled in red. At the very bottom, a footer note states that the document was last updated on 2018-05-04.

Your rights

Our [Privacy Statement](#) provides more information about your personal data rights. It also provides contact information if you have questions or concerns regarding our handling of your personal data.

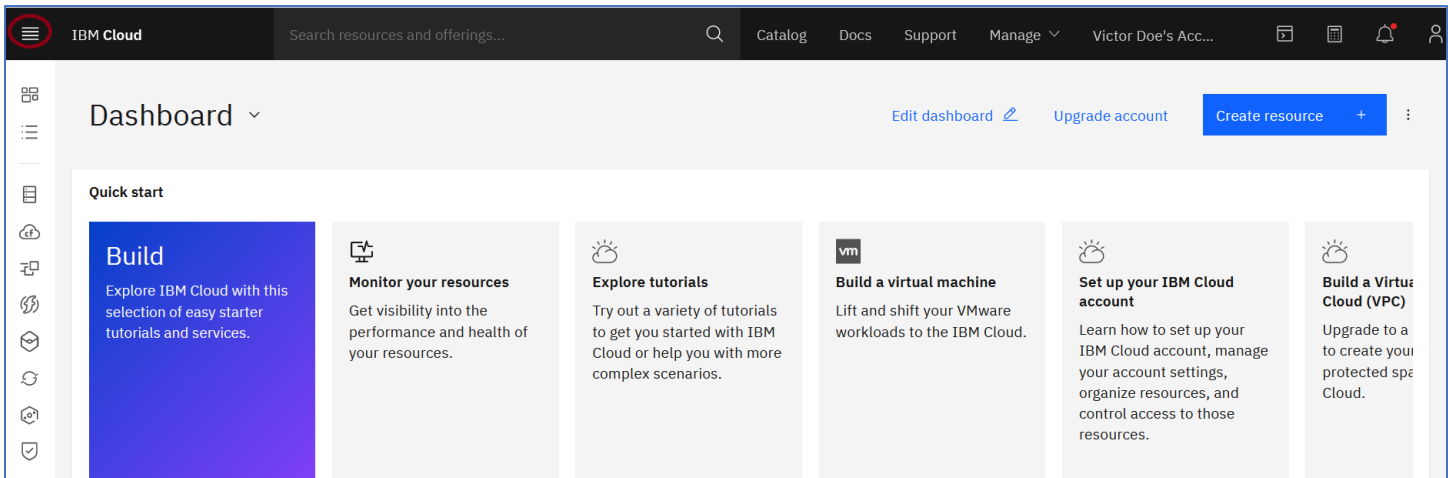

Acknowledgement

I acknowledge that I understand how IBM is using my Basic Personal Data and I am at least 16 years of age.
